"BILLY GOATS GRUFF"

OPPOSITES OF THE MONTH...

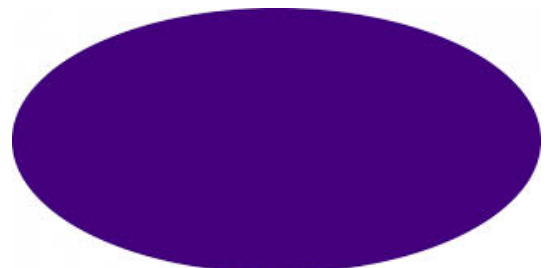

OVER and UNDER

over - under

SHAPE OF THE MONTH....

Oval

LETTERS OF THE MONTH...

Ss and Tt

Song of the month...

Rain, Rain go Away

Rain, rain go away,
Come again another day
Little Johnny wants to play
Rain, rain go away

Counting Rain Drops

Foam clouds will be labeled 1-5. The children will look at the number on the cloud. They will determine the amount of raindrops that corresponds with the number on the cloud and place the raindrops under the cloud.

Spring Collage

The teacher will talk with children about how things begin to change in the spring, explaining that the grass turns green, flowers begin to bloom, birds begin to build nests etc. The children will then look at a magazine and find different pictures of spring. The children will attach objects to paper and create a classroom collage.
