Song of the month...

I'm a Little Leprechaun

(Tune of I'm a Little Teapot)

I'm a little leprechaun
Dressed in green,
hiding in the shamrocks.
I can't be seen.
If you ever catch me, so it's told,
you can have my pot of gold.

We will learn about the Body.

The teacher will play a new version of *Simon Says*, giving directions that involve moving different body parts. She will substitute the names of the children in the class for *Simon*. For example, the teacher will say, "David says wiggle your fingers. Heather says stamp your feet." The game will continue until each child has been named at least once.

The children will be given "Paper Body Cut-up's" and they will put it together – wait until you see how creative they are!

Leprechaun fun!

The children will search for a leprechaun and find his pot of gold. (Bags of Lucky Charms). More information regarding this is in the March newsletter.
